

From the Principal's Desk

For all parents education of their children is of greatest importance and selecting the right school is not an easy task. The benefit of sound education is one of the greatest gifts you can bestow on your children. It is something they cannot lose or have taken away from them. It will greatly influence them realizing their potential and will enhance their chances of leading a successful life.

“Children are living beings more living than people who have built shells of habit around themselves. Therefore, it is absolutely necessary for their mental health and development that they should not have ‘mere school’ for their lessons, but a world whose guiding spirit is personal”

Rabindranath Tagore

Dear Parent's People's Public School continues to uphold traditional values while adopting contemporary infrastructure and pedagogies. It is an amalgamation of competent teachers, state of art infrastructure, an idyllic setting and experienced and efficient administration. Our approach is student centred and goes beyond text books, class rooms and boundaries. We have live multimedia presentation to facilitate deeper understanding of concepts. We inculcate in children, a respect for Indian culture. This edifice and temple of learning will always be a source of never ending inspiration.

People's Public School is a place where children are encouraged to say “I SEE IT, I GET IT, I CAN DO IT.” If innovation and novel ideas are a key to a bright future, then we can surely remain assured of our place under the pedagogic sun. We put forward a distinctive blend of offering in areas of knowledge and enterprise in the form of encouraging students for elocution, debates and quiz contests as well as organizing and taking part in various cultural events.

Our purpose will be achieved by fostering mutual respect in a safe environment where we unite to produce young people of strong compassionate character capable of success in diverse world.

We welcome you dear parents and look forward to working with you to prepare our children for the ever changing global world.

With Best Wishes

Mrs. Manpreet Roy
